

Methodist Guidance on Church Photography, the Internet and Publicity

Consent Form

At **Guiseley Methodist Church** we take the issue of child safety very seriously, and this includes the use of images of children. We occasionally include images of children in publications and on our website, but we have a duty of care which means that children must remain unidentifiable, reducing the risk of inappropriate contact, if images are used in this way.

We ask that parents consent to the church taking and using photographs and images of their children. Any use of images at Guiseley Methodist Church is underpinned by our Safeguarding policy. We will never include the name of a child alongside an image.

Please complete, sign and return this form to NIGEL BATTY.....
