

Guiseley Methodist Church: Safe From Harm

Important Notes for Parents

The Church Council has adopted a code of practice for the safety and well being of your child, particularly whilst on Church premises. These guidelines are also intended to protect all the volunteer adults who work alongside our young people. They are designed to ensure that no-one is placed in a dangerous or compromising situation.

Each activity leader has a copy of these guidelines on file should you wish to consult them. The Methodist Church policy from which these guidelines are taken is on display on the notice-board inside the back porch.

With these guidelines in mind we are asking ALL parents whose children are part of our weekly activities to sign and return the tear-off slip below with regard to arrangements made for the collection of your child at the close of a meeting. We trust that you will understand our concern for your child's safety.

Thank you.

In line with the recommendations from the Church Council, I agree to instruct my child to await collection from INSIDE the church buildings. If I am unable to collect my child, or if I feel that my child is old enough to leave the meeting unaccompanied, I will advise the activity leader in writing.
